Transfiguration Church - Corona, NY

On Palm Sunday, His Grace Bishop Andonios, visited Transfiguration of Christ Church (Corona, NY) to thank the community for their extremely generous and laudable decision to donate \$25,000 annually for the next 10 years (i.e., \$250,000) to St. Michael's in support the expansion project and the operation of the new facility. Pictured with His Grace is the Very Rev. Chrysostom Panos, Proistamenos of the parish, along with members of the Parish Council (on the right) and the ladies of the Philoptochos Society (on the left) who presented the Bishop with their donation on this occasion. Words are inadequate to express heartfelt appreciation but also to applaud the magnanimity of this community.

BEFORE AND AFTER

The next few newsletters will feature some of the spaces planned in the new facility - photos of what those spaces look like NOW, compared to architectural renderings of those areas when construction is completed. To bring about the transformation of these rooms, **WE NEED YOUR ASSISTANCE NOW**. Scan the QR code to donate and/or to see Levels of Giving and remaining Naming Opportunities.

CRITICAL JUNCTURE IN THE PROJECT

We have arrived at a critical juncture in the project and your assistance is needed to keep the construction moving at its current pace so that the new facility can open in 2024. Before we can access the construction loan which has already been secured, we need to bridge a funding gap between received pledges and the loan. This amount is an increase in the original cost of the project as a result overwhelmingly because of historic inflation in the construction industry which is between 15%-20%.

Therefore, **NOW IS THE TIME** to participate in the Capital Campaign by making a donation in one of the Levels of Giving and/or remaining Naming Opportunities.
