Beloved in Christ,

First and foremost, allow me to say how deeply humbled I am by your decision to honor me at this year's Annual Gala with the Archangel Michael Award. Therefore, my message for all who read this is very simple: let us do all that we can to support and sustain our beloved Saint Michael's Home. This precious Institution of our Sacred Archdiocese sets an example for all the world to see. It is an inspiration for the parishes to strengthen their ministries to the elderly. As I wrote in my yearly Encyclical for the Feast of the Holy Archangels: *Stand up in the presence of the elderly, and show respect for the aged* (Leviticus 19:32). This expresses the Lord's desire that we all honor the white hairs of a long life, and the wisdom they represent.

The Commander of the Heavenly Host, Michael the Archangel, is known preeminently as a protector of the People of Israel. Thus also, Saint Michael's Home is a protector of our people, who are the New Israel of God. The work of this wonderful Institution is to make provision for all the needs of its residents, and you do that with extraordinary love and skill. At Saint Michael's, our people feel not only loved and cared for, but the values, traditions, and character of their lives are lived out on a daily basis. Whether it is a liturgical observance, a meal, or a conversation in the language of our ancestors, Saint Michael's is a place of inclusion and acceptance.

Therefore, with feelings of pride in your work and with humble gratitude for your generosity to my person, I bestow my heartfelt congratulations and best wishes on all the beloved family of Saint Michael's Home.

With paternal blessings in our Lord Jesus Christ,

† ELPIDOPHOROS

Dearlly Beloved,

Every year, St. Michael's Name Day Gala is a joyous gathering to celebrate the quality care which the Home has offered countless residents since opening its doors in May 1958. It is also an opportunity to now showcase the relocation and expansion of the facility which will mark a new and exciting chapter in this critical and much-needed ministry of our Archdiocese to the elderly.

With its increased capacity but above all, its progressively higher levels of licensed assisted care, the "new" St. Michael's will be dramatically expanding and enhancing its outreach and service to the community with a magnificent state-of-art- continuum care facility in Uniondale, NY. Thanks to the magnanimous generosity of our benefactors, construction has now accelerated, and it is anticipated that the new facility will open in 2024. Yet, there are many individuals who have not yet participated in the Capital Campaign and now is the time to do so. All who do will certainly feel a deep sense of contentment and pride that they have been a part of this noble and sacred endeavor which will impact the lives of so many.

This evening, the Home is honored to present His Eminence Archbishop Elpidophoros of American with the 2022 *Archangel Michael Award*. Since his enthronement over 3 years ago, not only has His Eminence offered tireless leadership to the Church in America but he has been an ardent supporter of the Home, especially of the relocation and expansion project. This has been manifested not simply with words but as importantly by his actions which resulted in several major gifts to the project by the Archdiocese and Her affiliated organization. Truly, the Archbishop has earned this recognition but more importantly, the heartfelt appreciation of the Board of Trustees and is a most worthy recipient of the award as he *embodies and promotes the finer qualities and traditions of our Greek Orthodox Heritage*. We wish him many more years of service to the Church and may the Almighty ever inspire and strengthen him as he labors in the Vineyard of the Lord. *Eis polla eti Despota!*

In closing, I take this opportunity to express appreciation to all who over the years have selflessly offered their *time, talents and treasures* to help the facility reach this exciting crossroads. I am especially indebted to the staff, the members of the Boards of Trustees over the years, the tireless Volunteers and especially our benefactors, including everyone who has generously supported this gala. *The grace of our Lord and Savior Jesus Christ be with you all!*

Faithfully in the Service of our Lord,

Dear Friends of St. Michael's Home,

On behalf of the Board of Trustees it gives me great pleasure to welcome all of you here this evening as we celebrate the Name Day of our beloved St. Michael's. For over 64 years the Home has provided Greek Orthodox elderly with a loving home and quality care. As president of the Board of Trustees, I have the pleasure of working closely with the dedicated Board members, volunteers and staff, as well as with His Grace Bishop Andonios, whose spiritual guidance and undying devotion is inspiring.

The annual gala is not only a celebration of this important institution but also an opportunity to raise funds for the construction of the new St. Michael's Home. As you know, construction at the new location in Uniondale is well underway and we hope to be completed by the end of 2023. Together we will raise the money and create a new state of the art facility for our Greek Orthodox elderly.

An evening like tonight is only made possible through the efforts of many dedicated people. I would especially like to acknowledge this evening's Gala Chairwoman Lily Katos, as well as our honoree, His Eminence Archbishop Elpidophoros, who is a steadfast supporter of our Home. I would also like to thank all of our generous donors and journal sponsors, whose financial support helps this great institution fulfill its mission.

Once again, we truly appreciate your support. Thank you for joining us this evening to celebrate another wonderful year at St. Michaels Home - the jewel of our Archdiocese.

Sincerely,

Haeda Mihaltses, Board President

THE SYNAXIS OF THE ANGELIC - LEADERS MICHAEL & GABRIEL AND ALL THE BODILESS POWERS

On November 8th St. Michaels Home celebrates its Name Day since it is the date our Church celebrates the Synaxis (Gathering) of the Angelic-Leaders Michael and Gabriel and all the Bodiless Powers. The facility bears the name of Archangel Michael while the chapel is dedicated to the "Taxiarchai" (another name for the Archangels). In the 4th Century A.D., Pope Sylvester and Patriarch Alexander established that there are 9 orders (ranks/categories) of Bodiless Powers: Archangels; Six-Winged Seraphim; Many-Eyed Cherubim; Thrones; Dominions; Virtues/Authorities; Powers; Principalities and Angels, each group with its own particular function and task. It was decided to designate a Feast Day in their honor and in accordance with the 9 orders of Bodiless-Powers, November was selected as it was the 9th month on the calendar during the early days of the Roman Empire. The 8th day was selected in conjunction with the Last Judgment of God which the holy Fathers called the 8th day since in the final age, when the 7 days of creation have elapsed, will come the 8th day and then "shall come the Son of Man in His glory and all the holy angels together with Him". (Matthew 25:31)

There are 9 known Archangels, each of whose name has special meaning: Michael - "who is like God; Gabriel - "the power of God"; Raphael - "the healer"; Uriel - "light of God; Salathiel - "one who prays to God; Jequdiel - "one who glorifies God"; Barachiel - "the blessing of God"; and Jeremiel - "salvation of God". As a doxology but also of prayer we fervently offer the Apolytikion/Hymn of the Archangels.

THE LEADERS OF THE HEAVENLY ARMIES,
WE IMPLORE THOUGH BEING UNWORTHY,
THAT WITH YOUR PRAYERS YOU FORTIFY US
UNDER THE SHELTER OF YOUR WINGS,
OF YOUR SPIRITUAL GLORY, GUARDING US AS
WE BOW BEFORE YOU AND INCESSANTLY CRY:
SAVE US ALL FROM DANGER, AS THE COMMANDERS
OF THE HEAVENLY POWERS

His Eminence Archbishop Elpidophoros Primate of the Greek Orthodox Church of America

His Eminence Archbishop Elpidophoros (Lambriniadis) of America, Most Honorable Exarch of the Atlantic and Pacific Oceans, is the eighth Archbishop of America elected since the establishment of the Greek Orthodox Archdiocese in 1922.

Archbishop Elpidophoros was born in 1967 in Bakirköy, Istanbul. He studied at the Aristotle University of Thessaloniki — School of Pastoral and Social Theology, from which he graduated in 1991. In 1993, he finished his postgraduate studies at the Philosophical School of the University of Bonn, Germany, submitting a dissertation entitled, “The Brothers Nicholas and John Mesarites: Defenders of Orthodoxy in the Union Negotiations from 1204 to 1214 (in the historical and theological framework of the era).” He was ordained a Deacon in 1994 at the Patriarchal Cathedral and was thereafter appointed as the Codecographer of the Holy and Sacred Synod of the Ecumenical Patriarchate.

In 1995, he was appointed Deputy Secretary of the Holy and Sacred Synod. From 1996-1997 he studied at the Theological School of St. John the Damascene in Balamand, Lebanon, where he improved his knowledge of the Arabic language.

In 2001, he presented his doctoral dissertation at the Theological School of the Aristotle University of Thessaloniki under the title, “The Opposing Stance of Severus of Antioch at the Council of Chalcedon,” earning him a Doctorate of Theology with highest distinction. In 2004, he was invited to Holy Cross Greek Orthodox School of Theology in Brookline, MA, where he taught as a visiting professor for one semester.

In March 2005, at the proposal of His All Holiness Ecumenical Patriarch Bartholomew, he was promoted by the Holy and Sacred Synod to the position of Chief Secretary and was ordained to the priesthood by the Ecumenical Patriarch in the Patriarchal Cathedral. In 2009, he submitted two dissertations to the Aristotle University of Thessaloniki — School of Pastoral and Social Theology and was unanimously elected Assistant Professor of Symbolics, Inter-Orthodox Relations and the Ecumenical Movement. The dissertations are entitled: “The Synaxes of the Hierarchy of the Ecumenical Throne (1951-2004)” and “Luther’s Ninety-Five Theses: Historical and Theological Aspects. Text – Translation – Commentary.” In 2018, he was elected full professor at the same university, a position he held until his election as Archbishop of America.

In March 2011, he was elected Metropolitan of Bursa, and in August of the same year was appointed Abbot of the Holy Patriarchal and Stavropegial Monastery of the Holy Trinity on the island of Halki. He has served as the Orthodox Secretary of the Joint International Commission for the Theological Dialogue between the Orthodox Church and the Lutheran World Federation and as a member of the Patriarchal delegations to the General Assemblies of the Conference of European Churches and the World Council of Churches. He was the Secretary of the Pan-Orthodox Synods in Sofia (1998), Istanbul (2005), Geneva (2006), and Istanbul (2008). He has been an active member of the World Council of Churches serving on its Central Committee and also serving on its Faith and Order Commission since 1996.

On May 11, 2019, he was elected Archbishop of America by the Holy and Sacred Synod of the Ecumenical Patriarchate and was enthroned at the Archdiocesan Cathedral of the Holy Trinity in New York City on June 22 of the same year.

BUILDING FOR THE FUTURE

Update on the Expansion

Since opening its doors in May 1958, the Home has provided quality care to the elderly, but it has been with limitations imposed by its one license as a residential adult care facility. As a result of the aging process, when a resident is no longer ambulatory or requires a higher level of care than allowed under the current license, St. Michael's is obligated to transfer these individuals to other institutions. Moreover, the Home has been unable to accept applicants whose care-needs exceed those the facility is permitted to offer.

Because its current location did not permit for any expansion, in 2014 St. Michael's purchased for \$7,000,000 an 11-acre site in Uniondale which had housed a high school which had closed decades before. This site was deemed most appropriate as it provides an expansive structure within which to include various housing accommodations and care programs while there is room for future expansion.

Applications were submitted to the Department of Health which after some delay exacerbated by the pandemic, finally issued in November 2020 the approvals needed to start construction. In January 2021, work began on transforming the existing building which encompasses over 100,000 sq. ft. into a magnificent state-of-the-art continuum care facility. The last few months, construction has dramatically accelerated and manpower on the Uniondale site has more than quadrupled.

To date, demolition, abatement, site utilities, concrete curbs, concrete slabs, structural steel, underground utilities, elevator shafts, and east wing roofing work are for the most part completed. Currently, the window framing, east wing's drywall framing on the 2nd floor, west wing roofing, and east wing stucco work is in progress. Prior to the stucco work, the exterior waterproofing agent is being applied to all brick facades, and glass, door frames and roofing materials are now on site. Hopefully, the building envelope will be watertight prior to the

arrival of winter weather. The expansion is close to 40% complete and we expect that percentage to increase exponentially over the coming months.

Once completed in about a year and a half, the new St. Michael's will be able to accommodate approximately 150 residents (versus 60 in the Yonkers location) and offer progressively higher levels of licensed care thus minimizing if not eliminating the need to ever transfer anyone to another institution. The Home will also be able to accept applicants who are not currently eligible for admission because of their heightened care-needs. Included in the renovated structure will be: independent living one-bedroom rental apartments; studio bedrooms each with bathroom for independent and assisted living; a secure Memory Care Wing for those with Alzheimer's and dementia; as well as a beautiful Greek Orthodox house of worship; Library; Community Center with a fireplace; Computer Room; Exercise Room; Arts/Crafts Room; Wellness Center and so many other ancillary spaces needed to provide an appealing and nurturing environment for all residents.

Our building committee is diligently working to deal with supply-chain issues but more importantly with inflation which is impacting the construction industry with materials increasing in price by 10% - 15%. Needless to say, this affects our project and the continued generous support of the community is critically needed to complete the new Home in a timely fashion.

While St. Michael's did not lose any residents to the pandemic, a testament to the quality care offered by the facility, the Home did lose precious time in fund-raising. Now that the pandemic is behind us, the Board of Trustees is aggressively working to raise the balance of funds needed to complete the expansion. **NOW is the time for those who have not yet participated in the Capital Campaign to generously support the expansion and help bring about its realization which will impact the lives of so many.**

It has been our honor to have been involved with such an important and wonderful organization for the past 40 plus years.

Thanks to the support and hard work of the staff and the members of the Board under the guidance of Bishop Andonios, St. Michaels has been providing a loving and safe home for the elderly for years and will soon be able to welcome more elderly.

Next year we hope will be the grand opening of the new old age home, a dream that we have envisioned for many years.

We sincerely thank everyone who has supported St. Michael's all these years, both financially and with their time and effort to make this dream come true.
