2022 FEBRUARY NEWSLETTER

“LEADERSHIP 100” APPROVES \$2,000,000 GRANT TO THE EXPANSION PROJECT OF ST. MICHAEL’S!

At their annual meeting in Florida this month, the Executive Committee and Board of Trustees of The Archbishop Iakovos Leadership 100 Fund, approved a grant of \$2,000,000 to the Expansion Fund of St. Michael’s. His Eminence Archbishop Elpidophoros who has been a strong supporter of the expansion project, advocated for this grant. The Board of Trustees of the Home is extremely grateful both to His Eminence and most especially in this case to Leadership 100, for this most generous and magnanimous assistance towards the realization of this critically needed relocation and expansion of the only elder care facility in the United States, under the direct aegis of the Greek Orthodox Archdiocese of America and is one of Her National Ministries.

In 1984, under the guidance of the late Archbishop Iakovos, Leadership 100 was created as an endowment fund of the Archdiocese to provide an opportunity for the Greek Orthodox faithful to support in a very impactful and direct way the life-sustaining ministries of the Church. In 1998, The Archbishop Iakovos Leadership 100 Fund was incorporated as a 501 (3)(c) New York State corporation that supports the National Ministries of the Archdiocese in the advancement of Orthodoxy and Hellenism. As of the end of 2021, Leadership 100 has distributed over \$65,000,000 in grants since its inception in 1984. Other grant recipients in the past include amongst many others Hellenic College/Holy Cross School of Theology with emphasis on providing seminarian grants and St. Nicholas Greek Orthodox Church and National Shrine.

***Heartfelt appreciation to the following for their
magnanimous pledges/donations to the expansion:***

Helen & Spyro Dimitratos – Assisted Living Studio Bedroom

Bishop Andonios – Assisted Living Studio Bedroom (2nd Pledge)

WHEN WILL THE NEW FACILITY OPEN?

We are often asked when the new facility will open. According to our Building Committee, it should take 18 months to complete the renovation of the existing building in Uniondale. Of course, all of this is contingent on weather condition and availability of materials as well as the necessary financial support of the construction. We all are aware of the challenges with the supply chain and the shortages which exist in so many areas. Hopefully those shortages will not further delay the project and the new facility will be ready to open its doors by the END OF 2023!

By the Spring of 2023, the Home should be in the position to begin to accept applications for the new state-of-the-art continuum care facility.

To ensure the availability of the resources necessary to complete the expansion, (to those who have not yet participated in the Capital Campaign) NOW IS THE TIME to visit the project website and above all, to see how they can be a part of this exciting and noble endeavor by participating in one of the following Levels of Giving/Naming Opportunities.
